

2nd Arbor E&T Bake Sale raises \$500 for SHARE

and \$500 for Staten Island Director
Stafford Francis and family. . .

Once again, staff at Arbor's Media, PA Resource Center came together to provide support to SHARE (Support, Help, Assistance, Relief Effort – ResCare's voluntary contribution program that assists employees in times of great need). Stafford Francis, Director of Arbor E&T's Staten Island Back to Work office, recently lost everything due to a fire. Thankfully, Mr. Francis, his sister, and mother all got out of the blaze with little injury, but there was nothing left of their possessions.

The bake sale to raise money for Mr. Francis and his family in October featured home-made treats, including fudge, cupcakes, cookies, pies and cakes, all donated by staff to raise a total of \$1,000 for SHARE and the Francis family. This all-day event was supported by other businesses residing in Arbor's office building, and was another "rip-roaring success" following the Spring Chili Cook-Off/Bake Sale.
